

OCUV-1

Features

- Chemical free, dry solution to removing odours from guest rooms
- No monthly running cost
- Maintenance alert
- Quick and longlasting results

Benefits

- Eradicates all unwanted odours without the use of fragrance masking sprays
- Oxidizes odour causing bacteria

Eco-friendly

- Eliminates all chemical usage
- No cartridges or filters to replace
- Low power consumption

Effectiveness

- Effective immediately
- Long lasting results

Basic Controls

Simply turn the unit on when required

No Perishables

After 1 year a maintenance light will illuminate prompting maintenance.

Quality Components

Top class electronics, and materials are used for the longest possible product lifespan.

	ITEM	OCUV-1
Ozone	Ozone Gas Output	+250mg/hr
	Ozone Output	Fixed
	Permitted Humidity	70%, non-condensing
	Applications	Air and Water
	Ozone Lamp lifespan	9000hrs, automatic notification
Airflow	Input Air	Ambient
	Input Airflow	Ball Bearing Fan
	Input Air Temperature	5 ~ 30°C
Power Supply	AC Input	200 ~ 240 Volt, 50Hz
	Power Consumption	50W
Appearance	Dimension	350mm(L)x135mm(W)x90mm(D)
	Weight	2.5kg

These specifications may be altered by the manufacturer for any reason
